NA Basic Text

Reflections PG 231 Chapter 1
"When I came to my first N.A. meeting at the age of 52 I heard a woman say, "If there is anybody here for their first time, please come to the front of the room and get a white key tag". All sixty people turned around and looked at me. I went to the front of the room, not knowing I was about to have the first physical contact with another human being in over 4 years. The wonderful woman who gave me the tag held me in her arms as if she were holding one of her own children and whispered in my ear, "YOU NEVER HAVE TO USE AGAIN" She gave me something I haven't had for years HOPE.
